

Take me to the river project

Photo competition

Winning entries

In partnership with:

The “Take Me To The River” project aimed to help local people to discover the magic of the River Crane in Hounslow. There were a series of events and activities over a two-year period (2024 to 2026) that focused on engaging with residents and visitors and improving the wildlife.

As part of the project, we invited residents to share their inspiring photographs of the River Crane as it flows through Hounslow and adjacent linked greenspaces. Photos could include the River Crane itself, nature and wildlife, as well as buildings and places within the River Crane Corridor. There were three categories: under 16, 17-24, over 25’s.

We were delighted with all the entries and congratulate everyone who took time to take part in the competition. There were some difficult decisions, but the judges agreed on the following winners.

Our thanks to the judges from Habitats and Heritage, Let’s Go Outside and Learn CIC, Creative Spaces London, Crane Valley CIC, and the Mayor of Hounslow Amy Croft for their time and enthusiasm.

The Project was funded by Hounslow Council’s Thriving Communities Fund. It was delivered as a partnership project between Hounslow Council’s Parks Team, Habitats and Heritage (H&H) and Let’s Go Out and Learn (LGOAL) who organised community engagement events in the river Crane corridor.
